I think they are far and few between, if any. I'd expect they would more likely be conducted as a seminar at a CDA / IDA conference. I've been to a number of Prop 218 Seminars but that's not assessment district methods / law.

You are welcome. I haven't hear of any classes. I will let you know when I do.

Thanks for your help this AM. I was serious, if you hear of a class / seminar / conference about assessment law intricacies I'd sign-up for it in a minute just to try to improve my own articulation of the mess.
